

Request for suggestion in the preparation of the Furkating College Vision Document –2030.

After celebrating Silver Jubilee in the year 2005-06 , Furkating College is going to complete its 50 years of its glorious existence in 2030. The college has made remarkable progress in all fronts during last 34 years & desires to make further progress in the years to come in its pursuit to impart quality higher education . It also desires to play a leadership role in rural development & enhance required knowledge & skill of young generation to make them fit for the competitive world. To turn the dreams of the college in to reality, preparation of Vision Document is a must. In this process involvement of the general public particularly all its stakeholders may be of great help.

In view of the above, the college authority seeks valuable suggestions from all well wishers, alumni, parents & general public in the preparation of Vision Document of the college.
