

Course Objective

- First three days will be focused on “Mentoring Pedagogy” which would impart training to a level where faculties will be benefitted in terms of teaching style, personality improvement, classroom delivery and help the faculties to create a strong mentor mentee relation required for overall development.
- Next two days will focus on “Research Methodology” to inculcate the ability of research writing and develop the sense of authorship and reviewer ship.

Course Outcome

Participants will be able -

- To write research articles
- To utilize and implement tools to enhance the representation of ideas into research articles.
- To review research articles
- To invite funding for research projects.

Activities & Project

Assignments will be of the following type:

- MCQ based questionnaire (Google Quiz) & Assignments (Google Classroom).
- At the end of the course “Project” based on Research Methodology will be assigned to the participants

This FDP can be considered at par with other QIP (Quality Improvement Program) and other provisions for recognition/credits
