

REPORT ON THE PROGRAMME

Programme : Google Scholarship Programme

Dated: 09/11/2023

Organizers: Information and Career Guidance Cell of Furkating College (Autonomous) and Tata Initiative Trust

Description of the Programme

Information and Career Guidance Cell of Furkating College (Autonomous) and Tata Initiative Trust conducted a Google Scholarship Programme at Furkating College on 9th November, 2023. Senior Executive Officer of Tata Initiative Trust, Ms. Upasana Baruah was present as the resource person of the programme. The resource person discussed the relevance of Digital marketing, e-commerce and project management, etc. subjects in today's contemporary society and also informed the students about job opportunities in this field.

The Google Scholarship Programme is a programme that provides 3 months free online training in Digital marketing, e-commerce and project management etc. subjects among the students to develop their skills and to get employment in the future.
